ORDER

On August 5, 2014, this Court received the Mandate from the United States Court of Appeals for the Federal Circuit. [[Filing No. 178.](#)] Based on the Federal Circuit's decision, [[Filing No. 177](#)], the Court directed the Clerk to reopen this case on this Court's docket, [[Filing No. 179](#)]. The Court also requested that the Magistrate Judge work with the parties to formulate a Case Management Plan to bring this case to closure. [[Filing No. 179.](#)]

Magistrate Judge LaRue held a telephonic status conference with the parties on August 22, 2014. [[Filing No. 184.](#)] At that conference, Defendants notified the Court that they intend to file a petition for writ of certiorari with the United States Supreme Court. [[Filing No. 184 at 1.](#)] Plaintiffs will oppose Defendants' petition. [[Filing No. 184 at 1.](#)] At the conference, the parties agreed that given the forthcoming petition, it did not make sense to move forward with the case in this Court at this time. [[Filing No. 184 at 1.](#)]

Magistrate Judge LaRue recommended that this case be administratively closed and that the parties file a motion to reopen the case within 30 days after resolution of the issue forming the basis of Defendants' certiorari petition. [[Filing No. 184 at 2.](#)] More than fourteen days have passed since Magistrate Judge LaRue's recommendation, and no party has objected. [Fed. R. Civ. Pro. 72.](#)

The Court **ACCEPTS** Magistrate Judge LaRue's recommendation and **ORDERS** the Clerk to **ADMINISTRATIVELY CLOSE** this matter on this Court's docket. Any party may move to reopen this case **within 30 days** of the United States Supreme Court resolving Defendants' petition and accompanying proceedings, if any occur. A party may move to reopen this case at an earlier time if such a motion is supported by good cause.
